# INSTRUCTIONS FOR YOUR PRODUCT

Thank you for your recent purchase of this Design Toscano hand-crafted sculptural lamp. We have taken great care to create this piece especially for you. Please review these instructions and assemble this piece with care.

## Step 1

Release two nuts (E) and lift up upper lamp assembly (D) and base cap (F).

## Step 2

While holding upper lamp assembly (D) and base cap (F), insert bulb (not included) into socket (G). The bulb must comply with the wattage label marked (7 Watt, Type E12 bulb).

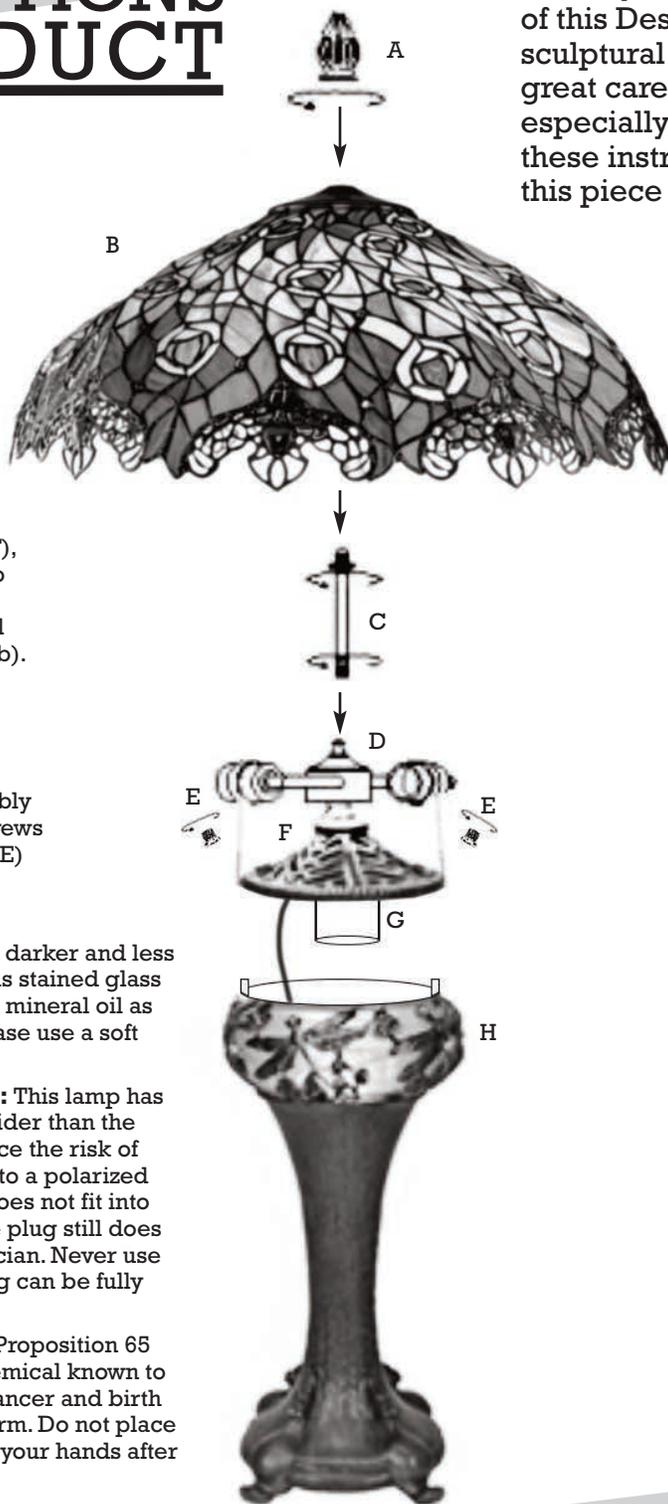

## Step 3

Gently set upper lamp assembly (D) and base cap (F) upon screws on base (H). Secure two nuts (E) on screw heads and tighten.

**Notes:** Shade colors will appear darker and less vibrant when not illuminated. This stained glass product has been protected with mineral oil as part of the finishing process. Please use a soft cloth to remove any excess oil.

**Important Safety Instruction:** This lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit into a polarized outlet only one way. If the plug does not fit into the outlet, reverse the plug. If the plug still does not fit, consult a qualified electrician. Never use an extension cord unless the plug can be fully inserted. Do not alter the plug.

**Warning:** California Residents Proposition 65 This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.

## Step 4

Screw the rod (C) into the lamp base (D).

## Step 5

Insert the three light bulbs. The bulbs must comply with the wattage label marked. Bulbs are not provided (110V, 50 HZ, Max 60W, E26).

## Step 6

Place the lamp shade (B) onto the top of the rod (C).

## Step 7

Screw the finial (A) into the rod (C) tightly.

## Step 8

Plug lamp in, turn master on/off switch on cord and enjoy the beauty. Three pull chains allow each bulb to be turned on/off individually.
